DEMO DAY — Investor Showcase

Weeks 13–14 | Live Investor Pitches

Crack the US Market. In 12 Weeks.

VentureDock is a 12-week virtual accelerator for international founders ready to win US customers, build a US team, and pitch US investors.

WHY VENTUREDOCK?

Structured

A proven 6-session curriculum built around the exact stages of US market entry — not generic startup advice.

Expert Mentors

Each session features a practitioner who has built, scaled, or funded US startups, sharing direct experience and practical frameworks.

Accountability

Biweekly homework assignments and a final Demo Day ensure participants apply what they learn to their actual business.

Small Group

Maximum 10 founders per program ensures every session is substantive and directly relevant to each participant.

WHO IS THIS FOR?

B2B SaaS or tech-enabled startups

\$50K+ revenue or 3+ paying customers

Targeting US as primary/expansion market

Founder with decision-making authority
